

The Joanne Blair Award Application

Background:

The Joanne Blair Award was created to honor the selfless leadership and dedication of Joanne Blair to improving highway safety for citizens of Illinois. It will be awarded annually to an outstanding Individual and/or organization in Illinois highway safety. The winner will be chosen by a committee of Illinois Traffic Safety Leaders.

Criteria:

This nominee or organization must be a resident or corporation of Illinois and be involved either personally or professionally in the field of highway safety. The individual must show outstanding involvement in the field of traffic safety in Illinois through their professional or volunteer work.

Nominee Information:

Name _____

Address _____

City, Zip _____

Phone _____ Fax _____ e-mail _____

Attach a one page narrative to explain what makes this individual/organization outstanding in Illinois in the field of traffic safety. Please describe both personal and professional attributes that make this individual/organization a role model for the field.

Send this form and the one page narrative to:
